PRESIDENT

LOUIS C. LAMOTTE

"HAPPY LANDINGS"

Since some of you have been taking the course in aviation you will appreciate the birdman's goodbye, "Happy Landings." As you go out from P. J. C. to attend other colleges and universities for your two final year's work toward a degree, or as you enter upon your chosen vocation, I would wish for each of you life's richest blessings. I hope as in the future, each of you thinks back upon your stay at P. J. C., the recollections will make you a little happier and a little finer man. As an alumnus we hope you will continue to keep in contact with your college, and will often come back to see us.
